Scope and Contents

The bulk of the nineteen accessions (33 hours) in this collection consists of interviews by David Taylor conducted during the summer of 1974 focused on Maine lobster fishermen. Series NA0726, NA0727, and NA0747 - NA0750, and NA0777 have been added to the collection since they are on the same topic and were done around the same time. Included in the "supplemental material" is the contents of the MF037 collection folder: correspondence, clippings, articles, and surveys relating to the Life of the Maine Lobsterman Project.
